

**Avon School District
Education and Lunch Instructions
COVID-19 School Dismissal**

-Starting on Monday, March 23rd the Avon School will be providing FREE “grab and go” lunches in the Auxiliary Gym from 11:00 AM to 1:00 PM.

-The lunches will continue as long as we are not in school due to COVID-19.

-Students should enter through the east glass doors in the Auxiliary Gym. A staff member will be present to give directions about the process and social distancing.

-There will be a table for each grade that will have packets of homework for students to pick up. All homework packets will be picked up on Monday’s and MUST be turned in on Friday’s when students pick up their sack lunch.

-The expectations are that the students complete all work that is sent home in the packets, since it will be graded. Late work will not be accepted, unless arrangements have been made with the appropriate teacher.

-Teachers will be contacting parent’s if school work is not turned in, or work is subpar, or incomplete.

-On Monday, March 23rd, students will be allowed to go to their lockers, or classroom to pick up books and materials. A staff member will explain the procedures and give reminders to students about social distancing.

-Please discuss with your child the importance of giving their best effort on the weekly school work. This is a way for our school to continue your child’s education while we are not in session. After this crisis is over, if the minimum student contact hours have not been met and those hours are not waived by the State, we would be required to make up those hours and possibly continue into the summer.

-7-12 students will receive information about the State K-12 email in their first packet on Monday, March 23rd.

-If students or parents have any questions for the teachers the best way to communicate with your teachers during this time is the State K-12 system. Addresses are located either in the handbook, or under the staff tab on the school website.

-The Backpack Program sacks will be delivered to each student’s residence starting on Friday, March 27th.
