

Notify Me!

Quick Start Guide

To help make sure you don't forget an event, you can get notifications on your phone, computer, or by email through the Notify Me feature. Once you are registered, you can change your notification settings for a single event, or all your events.

To subscribe and manage your notifications follow these steps:

Click "Notify Me" from the main screen. Sign in with your Email and Password if a Returning User, or else Create an Account, add necessary details.

The screenshot shows a web form titled "Welcome to Campbellsport's Notify Me!". At the top right is a "Back" button. Below the title is a sub-header: "Set yourself up to receive automatic text and email notifications for schedule changes and reminders for those activities you want to track. Log back in anytime to modify your settings". The form is split into two columns. The left column is for existing users, titled "Already have an account? Login Now". It contains an "Email Address" field with the placeholder "Please enter your registered email address", a "Password" field with "*****" as a placeholder, a "Login" button, and a link for "Forgot your password? Enter your Email Address and click here". The right column is for new users, titled "Don't have an account yet? Create it now!". It contains an "Email Address" field with the placeholder "Please enter your preferred email address", a "Password" field with "Create a password" as a placeholder, and a "Create My Account" button.

Then, click **Login** to select the activities you want.

Step 2 - Choose Activities

In Notify Me, you can set yourself up to receive automatic texts and email notifications for any of the activities you're involved with. Check off the activities you would like notifications or reminders for, then click continue.
